- ✓ Improve Customer Satisfaction
- ✓ Optimise your Supply Chain
- ✓ Improve Inventory Management
- ✓ Improve efficiencies through data accuracy
- ✓ Maximise Staff Productivity
- ✓ Lower Operational Costs

## Who we are and what we do best

BCP Media is a privately owned Australian company based in Brisbane delivering innovative solutions into the Auto Identification and Data Capture market, Australia wide.

Our range of products include end to end printing, incorporating **label printers**, **consumables** and **software tools**, as well as a premier range of **fixed** and **mobile barcode scanners**.

We are focussed on delivering **service solutions** to ensure the longevity and performance of this equipment.

We have tailored our business to meet the demands and challenges of our customers and are committed to the highest level of **customer service** and after **sales support**.
